

FLORIDA SWAT ASSOCIATION

"Dynamic training at an affordable cost"

Tactical Leadership & Incident Management Seminar

Thursday August 5, 2010

This eight hour course will provide an overview of tactical techniques and procedures as well as incident management solutions for police officers and supervisors.

It is designed to enhance the critical incident decision making process and the command and control change from patrol to Special Response Team and Incident Management scenes.

This course also provides an introduction to basic level tactical planning.

Instructor
Lt. Edgardo Caneva
Miami-Dade Police Department

Date: August 5, 2010

Time: 0900 – 1700 hrs

Location: Jet Blue University
8265 Hanger Blvd
Orlando, FL 32827

Registration:

www.floridaswat.org/training - click on the register now button at the bottom of the page and follow the instructions.

Fee: \$10 per attendee

Florida SWAT Association in conjunction with the Miami-Dade Police Department is offering this valuable training here in Central Florida only once this year.

This is a unique opportunity to obtain valuable tactical planning training from a subject matter expert with years of experience.

There is limited space, therefore register early in order to guarantee your spot.
