

Training Name: Ballistic Shield Operator

Dates: 04/28/2026 - 04/30/2026

Venue: Santa Fe College Institute of Public Safety
Gainesville, FL 32609

Price: \$200

Instructors: William "Alex" Black

Course Description:

The training venue requires proof of each attending agency's liability insurance. Only one copy is needed per agency.

This class will give an operator the basic knowledge and skills to properly utilize a ballistic shield during SWAT operations. Each student will be shown the proper way to shoot from behind a ballistic shield. Students will learn techniques and tactics used by shield operators to help protect their team during SWAT operations.
