

Basic SWAT School

Individuals who have recently been assigned to SWAT and have not received basic SWAT training will benefit from this comprehensive introduction to tactical skills. Students will be introduced to basic SWAT topics, tactics and techniques including a historical overview of SWAT, team organization and structure, resolution of barricaded suspect situations, covert individual and team movement, searches and room clearing, chemical agents, less-lethal options, warrant service and multiple field training exercises. This is a hands-on, high-intensity course in which students practice tactics and techniques in the field.

All students will undergo a Physical Standard Test and Firearms Qualification on the first day on class. This is a pass/fail test. Any student that does not pass any portion of this testing process will have to leave Camp Blanding and return to their agency. **Please prepare appropriately to pass the test.**
