

SWAT ROUND-UP INTERNATIONAL 2020

July 20, 2020

To our SWAT Round-Up "Family:"

With the devastating events unfolding in our country over the past several months and the impact the COVID-19 pandemic has had on everyone's lives, a decision has been made to cancel the 2020 SWAT Round-Up Competition, Training and Vendor Show event.

The SRI Committee understands the disappointment this will cause, but we feel it would be irresponsible to continue to have our event this year. We want our vendors, judges, instructors, visitors and law enforcement agencies to recover from this terrible setback and feel that this is the best decision to help make that happen.

This decision was extremely difficult to make, especially after having 37 consecutive years of successful SWAT Round-Up events. At this time, our primary focus is to protect the health and wellbeing of those who attend our events and to make sure we help in the recovery process.

The SRI Committee would like to thank EVERYONE for your continued support of our events and we look forward to seeing you in November 2021.

Sincerely,
