

2022 SWAT ROUND-UP INFORMATION FOR INTERNATIONAL COMPETITORS

INTERNATIONAL TEAM REQUIREMENTS AND FEES

Each “competing team” member must be a sworn law enforcement, military or corrections officer, and a member of the registered agency’s response team (SWAT, ERT, SRT, etc.).

- “Competing team” refers to all team members who are registered and eligible to compete in the team events during the week. **Six (6) competitors are required for all mandatory team events; up to eight (8) team members may register.** Those eight (8) personnel may alternate on any given team event. If any team does not have six (6) members to compete in any given team event, that team will be disqualified.

The **international team registration fee of \$1,500** covers all members of the team (up to 8 people) and includes training classes, participation in the individual competition events, entry into the FSA Meeting (Wednesday night), entry into the Awards Ceremony (Friday night), and weapons and ammunition for all mandatory team competition events **ONLY** (weapons and ammo provided by SRI).

- **WEAPONS AND/OR AMMO WILL NOT BE PROVIDED FOR TRAINING CLASSES AND/OR INDIVIDUAL COMPETITION EVENTS – ONLY MANDATORY TEAM COMPETITION EVENTS.**

INTERNATIONAL INDIVIDUAL REGISTRATION REQUIREMENTS AND FEES

Any additional sworn personnel who accompany a registered team, or a sworn law enforcement officer from an international police agency, may attend classes and participate in the individual events (non-team events). There is a **\$250 registration fee** for each international individual that includes training classes on Monday, participation in the individual competition events, entry into the FSA Meeting (Wednesday night) and entry into the Awards Ceremony (Friday night). These additional personnel and individual registrants will be considered “non-competing attendees” and cannot compete in the team competition events. **NO WEAPONS AND/OR AMMO WILL BE PROVIDED FOR TRAINING CLASSES AND/OR INDIVIDUAL COMPETITION EVENTS.**

TRAINING CLASS REGISTRATION REQUIREMENTS

All members of a competing team are required to attend at least one (1) of the training classes scheduled on Monday, November 7, 2022. Monday classroom training will be available at the Marriott Hotel so that International team members can meet their requirements for training attendance. Training class information will be posted on the website once team and individual registration opens.

Each international team is expected to bring all other required items needed for training and competition (i.e., gas masks, duty belts, protective eye and ear equipment, protective vests, etc.). It will be the responsibility of the team leader to acquire or borrow any equipment needed for training classes from another team or from a vendor.

TRAINING CLASS REGISTRATION REQUIREMENTS

Training class selections can be modified up to Friday, October 28, 2022. No changes will be allowed after October 28, 2022, unless there is a revision to the team roster or other extenuating circumstances. Each member's attendance at his/her class will be verified on the day of the class. **You must sign the class sign-in sheet at the beginning and end of the course to be counted as participating in the class. If a team member fails to show up for the one (1) required training class, a one minute (1-minute) penalty will be assessed against his/her team as described below.**

TEAM PENALTIES

If a competing team member fails to attend the one (1) required training class, a time penalty will be assessed against the respective team for the first event, Hostage Rescue. The penalty will be charged as one minute (1-minute) per registered team member and will be added to the team's final time for Event #1. This one minute (1-minute) penalty will be assessed for each competing team member who fails to attend at least one (1) class.
