U.S. TEAM REQUIREMENTS AND FEES

Each “competing team” member must be a sworn law enforcement, military or corrections officer, and a member of the registered agency’s response team (SWAT, ERT, SRT, etc.).

- “Competing team” refers to all team members who are registered and eligible to compete in the team events during the week. **Six (6) competitors are required for all mandatory team events; up to eight (8) team members may register.** Those eight (8) team members may alternate on any given event. If any team does not have six (6) members to compete in any given team event, that team will be disqualified.

The team registration fee of \$1,100 includes all members of the team (up to 8). This fee includes a free Florida SWAT Association basic membership (valued at \$25 each) for each of the eight competing team members for one year, round-up training classes on Monday, participation in the individual and team competition events, entry into the FSA Meeting (Wednesday night) and entry into the Awards Ceremony/Dinner (Friday night).

U.S. INDIVIDUAL REGISTRATION REQUIREMENTS AND FEES

Any additional sworn personnel who accompany a registered team, or a sworn law enforcement officer from a police agency, may attend classes and participate in the individual events (non-team events). There is a **\$250 registration fee** for each individual that includes training classes on Monday, participation in the individual competition events, entry into the FSA Meeting (Wednesday night) and entry into the Awards Ceremony/Dinner (Friday night). These additional personnel and individual registrants will be considered “non-competing attendees” and cannot compete in the team competition events.

TRAINING CLASS REGISTRATION

All members of a competing team are required to attend at least one (1) of the training classes scheduled on Monday, November 7, 2022. Training class information will be posted on the FSA website once team and individual registration opens.

Training class selections can be modified until Friday, October 28, 2022. No changes will be allowed after October 28, 2022, unless there is a revision to the team roster or other extenuating circumstances. Each member’s attendance at his/her class will be verified the day of the class. **You will be required to sign the class sign-in sheet at the beginning of the course, as well as at the end of the course, in order to get credit for participating in the class. If a team member fails to show up for one (1) required training class, a one minute (1-minute) penalty will be assessed against his/her team as described below.**

Each team is expected to bring all items needed for training and competition (i.e., weapons, ammo, gas masks, duty belts, protective eye and ear equipment, protective vests, etc.). It will be the responsibility of the team leader to acquire or borrow any needed equipment from another team or from a vendor.

This one minute (1-minute) penalty will be assessed for each competing team member who fails to attend at least one (1) class.
